3. If you cancel your wedding photography booking within two weeks of your wedding date, you understand that because VFM has allocated a professional photographer for your wedding date, that VFM is committed to paying for the photographer. Even though VFM photographers are exceptional, it is responsible for VFM to include a condition if something does go wrong. Therefore VFM agrees that if all the images do not turn out due to the fault of VFM or their suppliers, that VFM will refund the full amount of the wedding photography or agree to reshoot the wedding photography. You understand that for this guarantee to be valid all terms & conditions must be followed.
